Pillar 1 — Transform Leaders

Keynotes: Create High EQ Leaders

CHEQL-KN-02 – Leading with Heart: Harnessing Emotional Intelligence for Impactful Leadership

Delivery Format

Live online or live in-person.

Who Should Attend?

Business Leaders and Executives, Managers and Team Leaders, Human Resource Professionals, Entrepreneurs and Small Business Owners, Professionals in Training and Development, Students and Emerging Leaders

Duration

1 hour.

Course Aim

Discover the transformative power of Emotional Intelligence (EI) in leadership. This engaging keynote delves into the compelling research linking emotional competencies to effective leadership. Learn practical strategies to cultivate and apply EI, enhancing your leadership prowess.

We'll explore key components of EI and its direct impact on decision-making, team dynamics, and organisational success. Through real-world examples, you'll gain actionable insights to elevate your leadership effectiveness. Uncover the secrets to fostering a culture of empathy, resilience and collaboration within your team. Join us for an inspiring session that will leave you empowered to lead with emotional intelligence at the forefront.

Benefits of Attending

- Appreciation of what emotional intelligence is, its role in your effectiveness as a leader and the inspiration to develop this critical resource
- Practical strategies you can immediately apply.
